

9th Annual Bousquet Holstein PLLC Photography Contest

BOUSQUET HOLSTEIN PLLC

April 2017

To: All City and County High School Superintendents, Principals, Art/Photography Teachers

We are excited to announce the **9th Annual Bousquet Holstein PLLC Photography Contest** for Syracuse City and Onondaga County high school students in grades 9 through 12. The inspiration for this year's theme again comes from an exhibit at the **Everson Museum of Art**. This year's theme, social activism, is based on the Everson Museum of Art's exhibition: ***Seen & Heard: An Active Commemoration of Women's Suffrage***. In *Seen & Heard* New York's central role in the fight for women's suffrage serves as catalyst for contemporary activism. Opening June 10th, the multi-media exhibition explores the language and tactics of protest through the arts to initiate civic engagement. The exhibition's title and concept were inspired by Barbara Kruger's *Who Speaks, Who is Silent?* from the Everson's permanent collection, a monumental work addressing the implication of silence and representation for women. Commemorating the 100th anniversary of the passage of women's suffrage in New York in 1917, *Seen and Heard* will explore the state's activist history and its contemporary application.

For this year's photo contest, we ask students to learn from the history of social and political activism in New York and to capture images that engage in a current and timely conversation around equal rights, civic engagement, and social change. The idea is to demonstrate that photography can document and contribute to social change. What is your cause and how can you use your camera to make the world a better place?

Attached is a flyer detailing the contest rules, deadlines, and judging criteria. **Image entries must be received by October 5, 2017**. Prizes will be awarded to the 1st, 2nd, and 3rd Place photographs and to the visual arts department of the 1st Place winning school.

Bousquet Holstein PLLC and its members have been consistent supporters of the arts and education in our city and county. We plan to feature the 1st Place winning photograph on our 2017 Thanksgiving card which is sent to more than 4,000 clients of our law firm. In addition to the winning image, we credit the student photographer and provide information about the subject matter and inspiration of the photograph. In late October, we will host a showing of the top 20 entries. We host a reception for all 20 finalists and their immediate families and teachers at which time the winning photo will be announced. In the past, the winning images have been showcased in local newspapers and many schools chose to congratulate their winning students in their monthly newsletters to parents.
