BOUSQUET HOLSTEIN PLLC

2012 *Photography Contest*

Bousquet Holstein PLLC is delighted to present this year's Photography Contest Finalists.

On behalf of the members and employees of our law firm, we thank each student for their entries and for sharing their vision, creativity and photography skills. Our judges had a difficult time selecting finalists from over 150 entries and in this slide presentation you will find their 20 selections for contest finalists.

The theme for this year's contest was inspired by the exhibition, *From New York to Corrymore: Robert Henri and Ireland* at the Everson Museum of Art. The exhibit included Robert Henri paintings of Ireland landscapes and portraits, particularly children, created during the time of his travels to Ireland between 1913 and 1928. For this year's photo contest, we challenged students to discover and capture the unique perspectives of vibrant immigrant cultures and heritage that can be found in their own families, in their neighborhoods, and in communities throughout the region.

Bousquet Holstein is committed to our clients and to the communities in which we live and work. Our 32 attorneys volunteer their time and lend their talents in board and leadership positions to more than 75 civic, charitable, arts and education organizations supporting not-for-profit initiatives throughout the Central Upstate New York region.

Each year our firm features the winning photograph on our annual Thanksgiving card.
