# 2013 Photography Contest

## Abstract Perspectives in Everyday Life

**Bousquet Holstein PLLC** is delighted to present this year's Photography Contest Finalists.

On behalf of the members and employees of our law firm, we thank each student for their entries and for sharing their vision, creativity and photography skills. Our judges had a difficult time selecting finalists from over 235 entries and in this slide presentation you will find their 2 selections for contest finalists.

The theme for this year's contest was inspired by the "*American Moderns 1910-1960, From O'Keeffe to Rockwell*" exhibit at the Everson Museum of Art. The exhibit included a wide variety of American art from the first half of the twentieth century, from abstraction and cityscapes to realism and nature.

These works offered a new perspective on American modern art.

**Bousquet Holstein** is committed to our clients and to the communities in which we live and work.

Our attorneys volunteer their time and lend their talents in board and leadership positions to civic, charitable, arts and education organizations supporting not-for-profit initiatives throughout the Central Upstate New York region.

Each year our firm features the winning photograph on our annual Thanksgiving card.
