2014 Photography Contest

Playful in Nature

Bousquet Holstein PLLC is delighted to present this year's Photography Contest Finalists.

On behalf of the members and employees of our law firm, we thank each student for their entries and for sharing their vision, creativity and photography skills. Our judges had a difficult time selecting finalists from over 217 entries and in this slide presentation you will find their 27 selections for contest finalists.

The theme for this year's contest was inspired by the works of new media artist **Fernando Orellana**, a 2014 exhibit at the Everson Museum of Art. His work includes a wide range of media including paint, pixels, robotics and Play-Doh, often with playful overtones. He uses new and traditional media as a way of transmitting concepts that range from generative art to social-political commentary. Students were challenged to discover and capture subject matters that were ***Playful in Nature*** and as you can see in the finalist images, this theme was interpreted by students in many different and creative ways.

Bousquet Holstein is committed to our clients and to the communities in which we live and work.

Our attorneys volunteer their time and lend their talents in board and leadership positions to civic, charitable, arts and education organizations supporting not-for-profit initiatives throughout the Central Upstate New York region.

Each year our firm features the winning photograph on our annual Thanksgiving card.
