# 2017 Photography Contest

## Street Scenes

**Bousquet Holstein PLLC** is delighted to present this year's Photography Contest Finalists.

On behalf of the members and employees of our law firm, we thank each student for their entries and for sharing their vision, creativity and photography skills. Our judges had a difficult time selecting finalists from the many entries and in this slide presentation you will find their 23 selections for contest finalists.

This year's theme, "Street Scenes," was inspired by the *Helen Levitt: In the Streets* photography exhibition at the Everson Museum. We asked students to discover and capture the lives of people in street scenes, neighborhoods, and family gatherings. Students were challenged to capture the humanity of their subjects at play, in day-to-day life, and exhibiting human interaction.

Bousquet Holstein PLLC is committed to our clients and to the communities in which we live and work. Our attorneys volunteer their time and lend their talents in board and leadership positions to civic, charitable, arts and education organizations supporting not-for-profit initiatives throughout the Central Upstate New York region. Each year our firm features the winning photograph on our annual client Thanksgiving card with a short biography about the student photographer.
